*Friday, April 13, 2007*

The Loudoun County Public Schools  
Administration Building  
21000 Education Court  
Ashburn, VA 20148

**Y**ou're invited to attend the first conference for non-formal, environmental education (EE) providers in Loudoun County. Participants will explore how our collective efforts can enhance life in Loudoun County, and better preserve its precious natural resources and historic value.

#### Conference Objectives:

- Discuss opportunities for collaborative partnerships among EE providers.
- Discuss ways to enhance collaboration between EE providers and the school system.
- Discuss the need for a Loudoun Environmental Education Vision and Plan.
- Discuss the creation of a Loudoun Environmental Education Coalition.

#### Conference Outcomes:

- Community EE leaders will discuss common issues and network.
- Participating organizations will complete a questionnaire that will be used to publish a directory of EE programs and resources in Loudoun County.
- Participants will identify actions that can be taken to plan and organize EE projects that will benefit the community and our schools, and better fulfill our shared EE missions.
- Participants will have an opportunity to create a coalition of EE providers to enhance long-term communication, collaboration and planning.
